- I. Call to Order:** The meeting was called to order at 1:03 P.M. by Mr. Rice.
- II. Introductions:** General Assembly conducted self-introductions.
- III. Approval of August 1, 2019 Minutes:** Ms. Lagrove motioned to approve the August 1, 2019 minutes. Ms. Gaas seconded; motion carried.
- IV. Presentation – Magnesium Sulfate – Pre-Hospital Use – Dr. Dawson:** Dr. Dawson spoke on the pre-hospital use of magnesium sulfate in pregnant patients. The symptoms and indications for use of magnesium sulfate in pregnant patients includes:

Minutes

- Preeclampsia
- Eclampsia
- Pre-Term Labor
- Reduces neurological and respiratory issues in premature babies when given to mom who is 32 weeks gestation or less

Dosage for all indications is 4g load with 2g/hour during transport.

Next time you revisit your protocols for the use of magnesium sulfate, consider adding the use of magnesium sulfate in pregnant patients. Dr. Dawson offered to provide assistance to any agency that needs it.

- V. Financial Report:** Mr. Sheridan provided the financial report as summarized on page 8-9 of the BVRAC General Assembly packet. This is the beginning of the fiscal year and the only expenditures for September were salary expenses and taxes. Washington County EMS has submitted their request for reimbursement from EMS County and it is being processed. Funds have been earmarked for the following events/expenses:

- \$2,700 - Active Shooter Presentation in Brenham
- \$2,000 – EMS Conference registration and travel expenses for two EMTs that won the SIM competition

BVWACS dues are due for all agencies with radios on the system. Invoices will be sent out this month.

Ms. Johse motioned to approve the financial report. Ms. Gaas seconded: motion carried.

VI. Executive Directors Report

- A. EMS County** – The allocations have been approved by the board and general assembly for EMS County funds. The funds are available and EMS agencies should submit requests as soon as possible. Reimbursement amounts are available until June 2020.
- B. BVRAC Meeting Dates** – The meeting dates for RAC are staying the same as last year with General Assembly on the first Thursday of even months and Board Meetings on the first Friday of odd months.
- C. Membership Dues & Representation Forms** – Representation forms and membership dues are due. Representation forms are very important since the contact lists for the meetings and other information are built from the forms. BVCOG staff will be sending emails to only those people on the representation

form. If other individuals in your agency need the meeting notice, representatives on the form need to forward the information to them. Dues are the same as last year and should be submitted by December.

VII. Committee Reports

- A. **Disaster/Emergency Preparedness Committee (Cory Matthews):** Hazard Vulnerability Assessments are due today. There were two facilities that did not turn in their assessments that have been contacted by Ms. Elmore. The facilities will also be doing an off the grid communication drill using land lines only.
- B. **Education (Ashley Kopech):** Education has been working heavily with the stop the bleed training events and planning for the Acute Care Symposium. As a reminder, Active Threat presentation will be on November 19th in Brenham on the Blinn Campus. Please sign up to attend.
- C. **Pre-Hospital (Bryan Ruemke for Kevin Deramus):** There are seventy people signed up for the Active Shooter course on November 19th. There is room for thirty more.

There are conversations going on about having a whole blood repository set for rural providers interested in carrying whole blood. If you are interested in finding out more or attending the meetings, please contact Mr. Deramus.

- D. **Hospital Care and Management/ Acute Care (Erin Gaas):** There have been two planning meetings since the last general assembly meeting to plan the Acute Care Symposium. The committee is seeking speakers for the topics chosen so please let them know if you have anyone. The topics that are going to be covered at the symposium are:
- Cardiovascular (congenital heart defects, identification of stemi, advanced heart failure treatments),
 - Stroke (pediatric, posterior, anything that mimics a stroke),
 - Trauma (burns,),
 - Sepsis (continuum of care with early identification),
 - Disaster management (active threat),
 - Psychiatric (Speaker from A&M or Rock Prairie Behavior Health),
 - Perinatal (Get with perinatal committee to see what is most beneficial),
 - Community health (Health Department resources and initiatives that they offer), and

Minutes
Brazos Valley Regional Advisory Council
General Assembly Meeting
October 3, 2019 1:00 P.M.
CENTER FOR REGIONAL SERVICES BUILDING
3991 E. 29TH ST. BRYAN TX 77802

- Miscellaneous topics to include organ donation, substance abuse, obstetric and pediatric shocks, care giver burnout and some hands on activities to include a stop the bleed table.

The committee talked with Wanda today on doing the CE credits. The cost is roughly \$2,000 and the committee is getting an itemized estimate. Conflict of interest forms have to be filled out by sponsors and vendors. The vendors will be able to do a one day table for \$500 and two days for \$750.

- E. **Stroke (Amy Jackson for Rebecca Hickman):** Ms. Hickman sent out a training notice for November on ischemic stroke and will try to get something together for hemorrhagic stroke at the beginning of the year.
- F. **System QI/Physician's Advisory (Billy Rice):** Mr. Long has taken on the project of participating in the RAC Data Collaborative Initiative that is addressing the State Trauma Registry which may help with some of our data collection and information sharing with QI.
- G. **Injury Prevention (Ashley Johse):** Stop the Bleed Training was completed at College Station High School. Training will be held on October 16th at A&M Consolidated and 10 more instructors are needed. There will be about 1,500 students trained in 2 hours. Training will be provided one hour before the event for any volunteers who are not trained instructors. Mr. Gallagher is helping with Robertson County and will be doing Franklin ISD on October 14th. Bryan High School training will be held on January 22nd. Seventy five instructors are needed to train approximately 2,300 students.

The group has been inundated with requests from many schools to get stop the bleed training and need instructors/groups to volunteer to help. They do not want to tell anyone no but are getting close. Bryan ISD alone has asked for training for 7,000 kids. An agency or group can get trained and volunteer to train a school or school district.

- H. **Perinatal (Dr. Dawson):** Many hospitals are on hold with their maternity designations. Many facilities that were surveyed last year have not received their designations. The committee continues to work on the emergency evacuation plan and is working on buying evacuation sleds for NICU, Maternity and the Nursery.

VIII. Open Forum

- A. Ms. Parks gave an update from GETAC:

Minutes
Brazos Valley Regional Advisory Council
General Assembly Meeting
October 3, 2019 1:00 P.M.
CENTER FOR REGIONAL SERVICES BUILDING
3991 E. 29TH ST. BRYAN TX 77802

- Stop the Bleed was one of the big issues. TEA has approved the curriculum to avoid confusion and the issues created with one person reviewing all training and kits across the state.
- SB 500 was also discussed and the proposed project is universal arm bands. At previous meetings the group wanted to put the money towards the registry but there is not enough money to make a difference. The universal arm bands will be used on all patients starting with the initial contact and will stay on through any transfers. There will be some funds left over to share between all the RACs.
- The timeline has been published for Trauma Rules so everyone needs to look.

- B. Mr. Rice shared that the aircraft is here at Easterwood. Training is being completed and hope to have it in service on Monday.
- C. Cadaver lab on November 18th. Let Mr. Rice know if you are interested in participating. There will also be an airway class on November 13th in conjunction with the lab. It will be at St. Joseph EMS.
- D. Grimes County Sheriff's Office is doing a Medical Response to Bombing class. The class is two days long and is being offered two separate times. Information will be sent out.

IX. Important Dates

- A. BVRAC Board of Directors Meeting November 8, 2019
- B. Joint Public Safety Response to the Active Shooter November 19, 2019
- C. GETAC November 23-25, 2019

X. Adjourn: The meeting was adjourned at 1:47 P.M.

Stop The Bleed Report

Brazos Valley Regional Advisory Council
11.20.19

Stop The Bleed Events

North Zulch (October 11):

- 126 students
- 51 teachers and instructors

Caldwell (October 14):

- 10 instructors

A&M Consolidated High School (October 16):

- 1062 students and staff (the # went up... I found some hidden sign-in sheets 😊)
- 61 instructors

Anderson/Shiro (October 23):

- 127 students
- 16 instructors

Aggieland Pre-School Academy (October 23)

- 12 Students

College View High School (November 13)

- 84 Students
- 12 Instructors

Total

Students: 1,411

Instructors: 150

November 25, 2019

Dear Brazos Valley Regional Advisory Council:

As you know, earlier this year, we acquired College Station Medical Center in College Station. Since acquiring, we developed several teams to work through how we will deliver care across our CHI St. Joseph Health System through our one hospital, multiple locations strategy. It was decided that the top four priorities for us at the moment are Emergency Services, OB/Pediatrics, Cardiovascular Services and ICU/CCU.

Our teams of physicians and administration recently wrapped up their work for Emergency Services and made a recommendation that was unanimously approved. As of November 30, 2019 at 11:59 p.m., we will close the freestanding Emergency Department located at 4411 State Highway 6, near the intersection of William D. Fitch Parkway.

All of the services currently located and associated with emergency care will move to the CHI St. Joseph Health College Station Hospital, located at 1604 Rock Prairie Road, previously College Station Medical Center. Imaging services, which are also available at this location, will not close with this relocation. Additionally, other services on the campus include Primary and Express Care, Pediatric Care and Therapy. These services will all remain in the current location. No changes are expected at the Emergency Department within College Station Hospital.

This change is an example of how CHI St. Joseph Health is able to combine our resources, staff and technologies to reduce duplicative services in the community. We are able to support a healthier Brazos Valley and expand the mission of steadfast commitment to serving our community. This relocation enhances existing health services for College Station residents, and also creates efficiencies within our organization.

CHI St. Joseph Health acquired College Station Medical Center on August 1, 2019, after an agreement to purchase with Community Health Systems. The facility's name changed to CHI St. Joseph Health College Station Hospital and the physician clinics have also been renamed to CHI St. Joseph Health. CHI St. Joseph Health is now the owner of CSMC, College Station Med Plus locations, and College Station Medical Associates.

As we continue to work through opportunities to shape healthcare delivery in our communities, it is important to keep our approach that we are one hospital with multiple locations in the forefront. And, as we work through the process for additional services, we will keep you all

informed of the recommendations that are made. We look forward to continuing to partner with you to deliver top quality care in our community.

Sincerely,

Kia Parsi, MD
Chief Medical Officer
CHI St. Joseph Health
