

🚑 Join the S.T.A.B.L.E Program! ❤️ Supporting Neonatal Care Excellence

Are you a 🏥 healthcare professional looking to enhance your 📖 knowledge and 🤝 skills in 🧑 neonatal care? The **S.T.A.B.L.E Program** provides essential 📖 education on post-resuscitation and pre-transport stabilization of neonates.

? What is S.T.A.B.L.E?

The S.T.A.B.L.E Program is a national 🎓 educational course designed to improve 🏆 outcomes for 🧑 neonates by focusing on six key areas:

- ✓ **S** 🍬 Sugar & 🛡️ Safe Care
- ✓ **T** 🌡️ Temperature
- ✓ **A** 🗣️ Airway
- ✓ **B** ❤️ Blood Pressure
- ✓ **L** 🩸 Lab Work
- ✓ **E** 😊 Emotional Support

🧑 Why Attend?

- ✓ Gain critical 🛠️ skills in 🧑 neonatal stabilization
- ✓ Enhance 🏥 patient safety and 🏆 care quality
- ✓ Improve 🗣️ team communication and 🚑 efficiency
- ✓ Earn 🏆 continuing education credits

👥 Who Should Attend?

- 🧑 Nurses
- 🧑 Physicians
- 🚑 Paramedics
- 🏥 Respiratory Therapists
